

TRIFORCE, SPECIALISTS IN STORAGE

THE NEW ERA OF HP STORAGE IS HERE AT TRIFORCE

Now there's even more affordable storage designed for a virtualised infrastructure that's easy to manage, supports continuous data growth and keeps your business up and running. For example, HP's StoreVirtual 4000 Storage, based on the LeftHand 10.0 operating system, is a scale-out storage platform that's designed to meet the fluctuating and challenging needs of virtualised environments. Triforce has a range of bundles available for a limited time at great prices.

Please contact our storage specialists on 1300 664 637 for more information.
